To Whom It May Concern:

**Re: Bob Mendelsohn**

Eleven years ago I was introduced to the work of Jews for Jesus. As an ordained minister in the Assemblies of God and engaged in frequent study tours in Israel for a number of years I heartily endorse his balanced ministry reflecting the Judeo-Christian faith.

I strongly endorse the ministry of Jews for Jesus as I consider it to be Biblically sound with a balanced perspective on the relevant issues facing Christians and Jews today. Bob has taught in our Christian Leadership and Ethics class at Wesley Institute for the past five years with enthusiastic and positive responses from the students. He is an excellent communicator making his message clear and easy to understand and has the ability to impart good insights.

His strengths in Biblical history, exegesis, apologetics and evangelism are sound and effective. I consider Bob Mendelsohn to be a gift to Australia and I endorse his ministry.
