

One of the greatest revelations that I have ever received is that Jesus Christ was not a Christian! What! He is a Jew, Jewish, most likely orthodox, then, now, always! That might sound ridiculous but it's true. If Christ had remained on the earth, His denomination would have most certainly been Messianic Jewish.

For this reason I have a love and passion for the Jews of this world and for that matter Judaism as it relates to my faith in Jesus Christ.

My understanding of the entire Bible has taken on a whole new perspective with first hand knowledge of Jewish existence.

Jews for Jesus presents me with a cultural background to my faith which is profound. Understanding the Jewish culture, its thoughts, world-view and historical significance has enhanced my ministry immensely-- one of the ways in which the ministry of Jews for Jesus has been the teaching on the Feasts of the Lord. We have recently begun keeping the Seven Biblical Feasts all with Messianic combination at church and it's been such a unique blessing.

I encourage all Minister's of whatever denomination to embrace Jews for Jesus but more so the Jews and allow the Holy Spirit to more fully impact your ministry of the Old and New Testaments together.

Bob Mendelsohn is an Apostle to the Jews and has brought our church a tremendous amount of insight to the Jewish roots of our faith.

I fully support and endorse Bob Mendelsohn and the ministry of Jews for Jesus and encourage you to explore the Jews for Jesus ministry to the world.

Blessings
